

EVO

SPORTS EXPO

Evo Sports Expo is one of the most exciting events of the year. We host thousands of athletes in more than 30 live action sports, competitions, and seminars. Evo Sports Expo features top level fitness industry leaders celebrating a wide variety of health, nutrition, apparel, and equipment. These amazing brands and companies debut and showcase many of the newest trends, products, and services. From world class athletes competing live, to top tier brands and amazing giveaways and celebrity guests EVO has something for everyone at this family-friendly event. Join us and experience the West Coast's premier sports and fitness expo.

MARKETING STRATEGY

Our comprehensive marketing strategy is designed to maximize your company exposure and provide a great ROI through a targeted approach. Our influence within the sports and fitness industry will place you in front of key demographics that use, purchase, and are interested in your company's products or services. In addition to our digital campaigns, we utilize our most valuable asset: our community. We partner with over 120 high-traffic businesses and retailers, these companies help create an influential market saturation and maximize our community footprint.

BUSINESS STRATEGY

Evo Sports Expo gives your company the opportunity to market and sell your products or services directly to thousands of attendees. This unique event creates a personalized marketing and sales experience for your consumers and shares your company's story by putting a face to your brand. For more than 12 years we have proven to help companies create lasting impressions with the audience they are looking for.
